VILLAGE OF CEDAR GROVE RESIDENTS

HYDRANT FLUSHING

October 7 - 11

October 14 - 18

October 21 – 25

The Village of Cedar Grove Water Department will be flushing hydrants throughout the Village between 7:00am and 3:00pm beginning October 7.

We suggest postponing washing your clothes between the hours of 7:00am and 3:00pm during the dates listed above due to the discoloration of the water. This condition is temporary and does not pose a health hazard. If you forget and your clothes have a reddish appearance – **DO NOT DRY THE CLOTHES** – rewash in cold water to remove the discoloration. Running the water for a short period of time will clear the lines after the flushing is complete.

If you have any questions, please contact the Village of Cedar Grove office at (920) 668-6523. We appreciate your understanding and regret any inconvenience.

Thank you!
