

HOUSEHOLD HAZARDOUS WASTE (HHW) COLLECTION EVENTS

Sheboygan County Residents Only

Sheboygan County has established three (potentially four) collection sites for disposing of hazardous wastes, as identified on the next page. The majority of the program is funded with County tax dollars; be prepared to show proof of residency. When those funds are depleted, the sites will be closed until funds are again available.

2023 Event Fees

- \$20 per vehicle with household hazardous waste only
- \$40 per vehicle with small household electronic waste only (6 items or less**)
- \$40 per vehicle with both household hazardous waste and small household electronic waste (6 items or less**)

Cash or check only, BRING CORRECT CHANGE.

**We accept 6 items or less of electronics. If more electronic items are being recycled, additional fees will apply.

This year's **Clean Sweep Collection Event** will take place on **Friday, June 9 and Saturday, June 10**. We encourage citizens to bring their hazardous wastes to these two collection events as much as possible because we receive grant money to help pay for these collection events.

What kind of materials will be accepted at the events?

- | | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------|--------------|
| * Flammable liquids | * Fluorescent bulbs (household quantities) | * Cleaners |
| * Oil-based paints | * Household batteries | * Aerosols |
| * Solvents | * Acids and bases | * Poisons |
| * Varnishes | * Old gasoline | * Antifreeze |
| * Thinners | * Reactives (typically pool chemicals) | |
| * Most Small Electronics (for detailed list go to www.sheboygancounty.com and navigate to the Planning & Conservation Department website) | | |

Are there materials that **WILL NOT** be accepted? **YES! LATEX PAINT**, waste oil, radioactive materials (smoke alarms), explosives, PFAs, medical wastes, waste medications, pressurized cylinders, asbestos, large appliances/electronics, and tires will not be accepted.

What can I do with the unacceptable materials?

- **Waste Oil** is recycled at many sites in conjunction with community recycling programs. See the Sheboygan County Planning & Conservation website for more information at www.sheboygancounty.com.
- **Latex (Water Based) Paint** is not “hazardous.” It can be disposed of with regular garbage once dried. Simply remove the cover to let it dry up, or pour it out in a container and add kitty litter to help it dry.
- **Waste Pharmaceuticals** can be recycled in the lobbies of the Sheboygan, Kohler, Sheboygan Falls, Plymouth, and Elkhart Lake City Police Departments. Each department has an anonymous drop box for recycling.

ALSO, during the June **Clean Sweep Collection Events**, other accepted wastes that will be collected are:

- **Agricultural Hazardous Waste** such as pesticides, other chemicals, and pesticide containers. For larger quantities (greater than 250 pounds), please call **TBD**, UW-Extension, at **TBD** in advance. There may be a cost for Agricultural business wastes.
- **Very Small Quantity Generator Business Hazardous Wastes** from small businesses must call Veolia North America to pre-register their waste 1 week prior to the collection date. Contact Zach Davis at (262) 224-3657 for a registration form. There will be a cost for disposing of these items.

Never leave hazardous wastes at any location. Abandoning hazardous wastes, even from households, is a State and Federal offense.

2023 HHW / CLEAN SWEEP COLLECTION SITES

Friday, June 9
1:00 – 4:30 p.m.

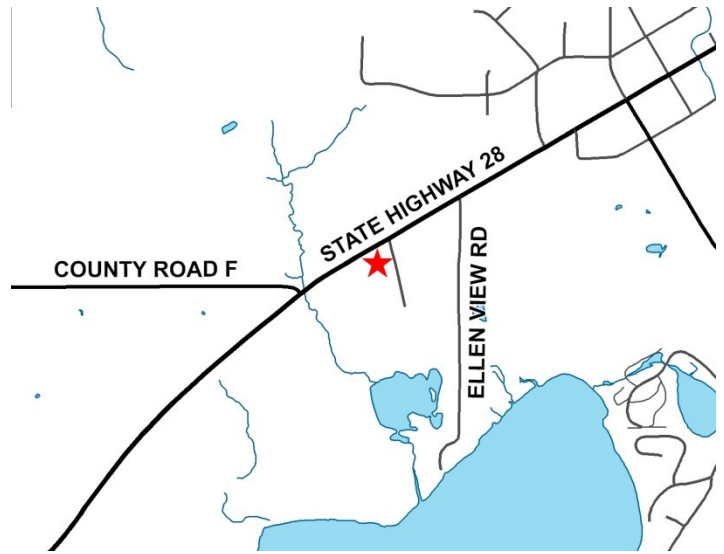

Maywood Environmental Park

3615 Mueller Road, Sheboygan

Saturday, June 10
8:00 – 11:00 a.m.

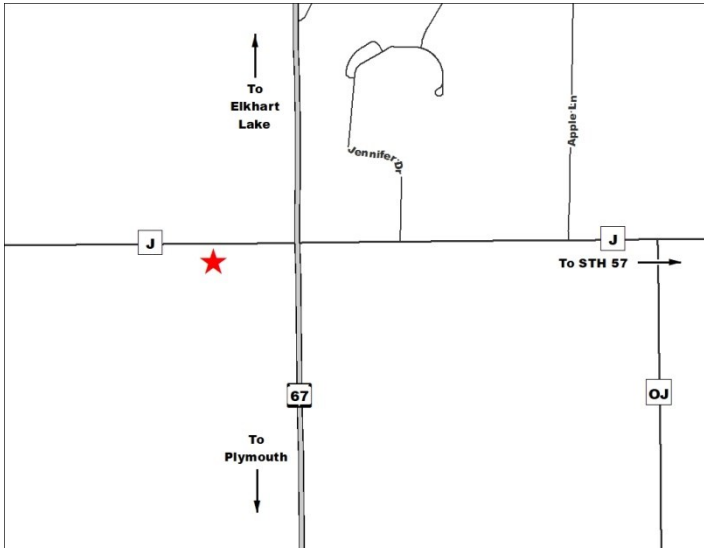

**Sheboygan County Highway
Dept - Cascade Shed**

W6451 State Highway 28, Cascade

2023 HHW SHEBOYGAN COUNTY COLLECTION SITES

**Saturday, April 8
8:00 – 11:00 a.m.**

**Sheboygan County Highway
Dept – Plymouth Shed**

W5741 County Road J, Plymouth

****Please enter using driveway off of County Road J****

Saturday, September 9

TENTATIVE

This event will be held if funding will permit. Watch for updates on the Sheboygan County events calendar and the Planning & Conservation page.
Thank you!
